

Unlocking the story within you

Dr. Johnny Parker helps motivated couples and high-impact men and women view their life as a story so they can lead, love and live with deep fulfillment. He is an author, speaker and founder of The Parker Group, LLC. His work has been featured on CNN, NBC News, NBC's Viewpoint, BET and Marriage Uncensored. He has a 25-year track record of coaching, leadership training, team building, discipling and training the trainer. As a relationship architect and executive coach, Dr. Parker has helped hundreds of couples, singles, leaders, stakeholders, and professional athletes achieve authentic success. He served as life coach of the Washington Redskins and Washington Mystics.
